Future Teachers and Ministers: The topics and submission requirements for the PR Scholarship Fund essay competition are now available. For more information, please email Ben Rau at prscholarship@gmail.com. All submissions must be completed by May 31st. Quote for Contemplation~

"Often Christian people mistakenly think that repentance is a spiritual attitude that should be urged on the unconverted. They assume that their own repentance was registered with the Lord when they first received Christ. But no one ever will be finished with repentance in this life. Repentance must be as vital a part of the Christian's daily life as his or her faith. Obviously no one should say, "I believed once, some many years ago." Although the initial act of faith is most significant, it represents the beginning of a continuous lifestyle. The same principle holds for repentance. Just as we live in faith moment by moment, so we also must live moment by moment in repentance. . . . As you live every moment by faith in the Lord, so you must die to your sin every moment by repentance before the Lord."

-O. Palmer Robertson, Commentary on Joel 2:12-17
